

Reading/Discussion Log
Appointment Clock

The diagram is a large circle with a double-line border. Inside the circle, the numbers 12, 3, 6, and 9 are positioned at the top, right, bottom, and left respectively. In the center of the circle is a small circle with the text "Quarter: _____" above it. Four lines extend from the outer edge of the circle to four sets of signature lines outside the circle. Each set consists of a top line for the week number and a bottom line for the signature. The top-right quadrant is labeled "Week 1", the right quadrant is "Week 2", the bottom quadrant is "Week 3", and the left quadrant is "Week 4".
